Meka Egwuekwe
Hiring Manager, CodeCrew
88 Union Ave.
Memphis, TN 38103

Dear Mr. Egwuekwe,

I am writing to express my interest in the position of Entry Level Software Developer with CodeCrew. Your advertisement on LinkedIn seems to perfectly match my background and experience.

If you are seeking a driven, well-rounded software developer for your developing team, I believe my skills and background are a good match for your company. I consider myself as a highly capable with an array of credentials to support this statement.

Complementing my diverse skill set, I have developed an excellent understanding of a wide range of programming languages and tools and have demonstrated this capability through my involvement in the CodeCrew Code School, which is due to be completed in Deember 2018. My qualifications for the position are versatile, including front-end web designing, styling and backend database handling. I have experience working with the following languages:

- Java,
- JavaScript,
- Python
- MERN stack applications,
- Django,
- and JQuery.

In response to your job posting, I have attached my resume for your consideration. It would be a pleasure to discuss my qualifications in person. I look forward to exploring the potential of this great partnership.

Sincerely,

Madison Cooper
